

NON-RESIDENT CARDS

The Library shall issue borrower's registration cards to non-residents of the City of Rockford for a payment of an annual fee comparable to costs residents pay through taxation. The Board shall establish a schedule of fees for non-residents and shall with the adoption of each new budget review the fees and consider revisions.

The registration period for Non-Resident Cards shall be for one year. Registrations may be renewed without limit. Non-Resident Cards are non-transferable. All items borrowed are the responsibility of the individual to whom the card is issued.

Free cards shall be provided upon request to minor children of non-resident-family card buyers.
