

NON-RESIDENT CARDS

The Library shall issue borrower's registration cards to non-residents of the City of Rockford for a payment of an annual fee comparable to costs residents pay through taxation. The Board shall establish a schedule of fees for non-residents and shall with the adoption of each new budget review the fees and consider revisions. See Illinois Compiled Statutes at 75 ILCS 5/4-7(12) which states, in part, "...for such privileges and use, the board shall charge a nonresident fee at least equal to the cost paid by residents of the city..."

The registration period for Non-Resident Cards shall be for one year. Registrations may be renewed without limit. Non-Resident Cards are non-transferable. All items borrowed are the responsibility of the individual to whom the card is issued.

Free cards shall be provided upon request to all members of non-resident households.
