- **Ukulele Storytime: Baby Rhyme Time!** - Songs and rhymes are geared towards children ages newborn to 24 months, but everyone of all ages can enjoy!
PODCAST for Kids, 1 of 2

- **Brains On** is an award-winning audio show for kids and families. Each week, a different kid co-host joins Molly Bloom to find answers to fascinating questions about the world. Our mission is to encourage kids' natural curiosity and wonder using science and history...but there's no age limit on curiosity, and episodes of Brains On can be enjoyed by anyone.

- **But Why** is a show led by you, kids! You ask the questions and we find the answers. It's a big interesting world out there. On *But Why*, we tackle topics large and small, about nature, words, even the end of the world.

- **Circle Round** Created and produced by parents of young children, WBUR's Circle Round adapts carefully-selected folktales from around the world into sound- and music-rich radio plays for kids ages 4 to 10. Each 10- to 20-minute episode explores important issues like kindness, persistence and generosity. And each episode ends with an activity that inspires a deeper conversation between children and grown-ups.

- **Kids Ask Authors** A weekly 5-10-minute podcast where children's book author/illustrator Grace Lin and a guest author answer one question from a child reader. Most episodes will end with a book review, poem, short story or a joke by kids! We hope that this podcast will be useful to all student writers and those helping them on their journey!
PODCAST for Kids, 2 of 2

- **The Music Box**  Music boxes were invented to make music small enough to fit in your pocket, just like this podcast. With a tap you'll be carried into classrooms, across the city, and out into the field where we ask what is music and how do we make it. We're taking classical music out of the box and giving you the inspiration and tools to compose your stories into music. The Music Box is complete with ready-to-use activities integrating core grade-level standards.

- **Stories Podcast: A Bedtime Show for Kids**  On the Stories Podcast, we perform a new story for your children every week. The stories range from retellings of fairy tales like Snow White to classic stories like Peter Rabbit and even completely original works. Everything is G rated and safe for all ages. The perfect kids podcast for imaginative families. Whether you’re driving with your children or just want to limit your kids’ screen time, Stories Podcast delivers entertainment that kids and parents alike will love.

- **The Story Seeds**  Podcast celebrates creativity and imagination. On each episode, we capture the magic that sparks when kids 6-12 and best-selling authors meet up in person to collaborate and grow original stories inspired by children's story seeds! Hosted by kidlit maven, author, and librarian Betsy Bird.

- **Wow in the World**  Hosts Mindy Thomas and Guy Raz guide curious kids and their grown-ups on a journey into the wonders of the world around them. We'll go inside our brains, out into space and deep into the coolest new stories in science and technology.
VIRTUAL TOURS: Museums, 1 of 4

- **American Museum of Natural History** You can still enjoy our exhibits and online offerings, from materials for families and teachers to virtual tours, videos, games, and more.

- **The Art Institute of Chicago** Home to one of the largest permanent collections of any museum in the United States, The Art Institute of Chicago houses 260,000 pieces of art from across the centuries. Nearly 600 of those works are made accessible digitally through the Arts & Culture initiative, including Mary Cassatt’s "The Child’s Bath," Cézanne’s "The Basket of Apples" and Julia Margaret Cameron’s portrait of Julia Jackson.

- **The British Museum** This iconic museum located in the heart of London allows virtual visitors to tour the Great Court and discover the ancient Rosetta Stone and Egyptian mummies.

- **Detroit Institute of Arts** One of the Midwest’s artistic crown jewels, the Detroit Institute of Arts houses an incredible collection—one of the top six in the United States—under its Beaux-Arts roof. Among its most notable holdings accessible online are Frida Kahlo’s "Self-Portrait on the Borderline Between Mexico and the United States," Caravaggio’s "Marth and Mary Magdalene," and Ruysch’s "Flowers in a Glass Vase."

- **Georgia O’Keefe Museum** A singularly American artist, Georgia O’Keefe famously lived her later years in the New Mexico desert, where the museum dedicated to her remains. The organization behind the institution advocates for the advancement of her legacy and also cares for many of O’Keefe’s paintings, 30 of which are viewable online, including "Above the Clouds 1," "Autumn Trees-The Maple" and "Two Pink Shells."
**VIRTUAL TOURS : Museums, 2 of 4**

- **The High Museum of Art** is the leading art museum in the southeastern United States. With more than 15,000 works of art in its permanent collection, the High has an extensive anthology of 19th- and 20th-century American art; a substantial collection of historic and contemporary decorative arts and design.

- **The J. Paul Getty Museum** Featuring works from the eighth through to the 21st century, The J. Paul Getty Museum houses its collection in one of Los Angeles’s most striking buildings, with sweeping views of the city. Though visitors may not be able to appreciate either of those features in person, Google allows you to view nearly 16,000 pieces from the museum’s extensive holdings, including Rembrandt’s "Rembrandt Laughing," Renoir’s "La Promenade" and Van Gough’s "Irises."

- **La Galleria Nazionale** With over 20,000 artworks, La Galleria Nazionale’s collection includes pieces from antiquity to more contemporary works belonging to the Futurism and Surrealism movements. Nearly 500 works from its collection are digitally documented, including Monet’s "Ninfee Rosa," Antonio Canova’s "Ercole e Lica" and Boldini’s "Ritratto di Mademoiselle Lanthèlme."

- **The Louvre** Travel to Paris, France to see amazing works of art at The Louvre with this virtual field trip.

- **Museo Frida Kahlo** La Casa Azul is where acclaimed artist Frida Kahlo lived and died. It is also home to the museum honoring her life and artistic legacy. Nearly 70 examples of Kahlo’s personal effects, artworks and attire are accessible digitally, including the body cast she famously painted while ill and "Self-Portrait Wearing a Velvet Dress."
VIRTUAL TOURS : Museums, 3 of 4

- **The Museum of Contemporary African Diasporan Arts**  This new multimedia experience, made possible in part by an IMLS grant, was created to increase access to and understanding of black contemporary art and its social and political context for all audiences, regardless of ability, location, or educational background. Online visitors can explore virtual galleries, exclusive museum notes, playlists, workshop recordings, and more via the new page.

- **The Metropolitan Museum of Art**  Arguably America’s premier museum, the Metropolitan Museum of Art is a New York icon with one of the most celebrated collections anywhere in the world. Twenty-six virtual exhibits and over 200,000 documented works give digital viewers a taste of pretty much any art from nearly any era, from Pieter Bruegel The Elder’s "The Harvesters" to

- **The Museum of Fine Arts, Boston**  is one of the most comprehensive art museums in the world with a collection that exemplifies the breadth, richness, and diversity of artistic expression, from prehistoric times to modern day.

- **Museum of Modern Art**  Founded in 1929, the Museum of Modern Art was the first museum dedicated to collecting and presenting art from the modern era. The institution’s holdings showcase some of contemporary art history’s most famous paintings, from the likes of Van Gogh and Picasso. Google may only present 129 of those artworks, but they are some of the world’s most notable, including Henri Rousseau’s "The Dream," Van Gogh’s "The Starry Night," Cézanne’s "The Bather."
The National Museum has been India’s premier museum since opening its doors in 1949. Today, it is home to thousands of works of art spanning 5,000 years of history, including painting, sculpture, jewelry, ancient texts, armor and decorative arts. Over 600 of those items are documented for viewing online.

The National Museum of Anthropology - Mexico City is devoted to the archaeology and history of Mexico’s pre-Hispanic civilizations. It was inaugurated in 1964 and designed by Mexican architect Pedro Ramírez Vázquez.

National Museum of the United States Air Force You can’t take a ride in Franklin D. Roosevelt’s presidential airplane, but you can check it out, in addition to other military weapons and aircraft, online in the Air Force’s official museum.

Smithsonian Museum of Natural History Move at your own pace through the 360-degree room-by-room tour of every exhibit in the museum.

Solomon R. Guggenheim Museum Founded in 1937, the Guggenheim is among the world’s foremost institutions dedicated to fostering an understanding of contemporary art and architecture. Over 200 works from its impressive holdings are viewable through Google’s portal, including Glenn Ligon’s "Prisoner of Love #2 "and Julieta Aranda’s "Two shakes, a tick and a jiffy."

The Van Gogh Museum in Amsterdam houses the largest collection of artworks by Vincent van Gogh (1853-1890) in the world. The permanent collection includes over 200 paintings by Vincent van Gogh, 500 drawings and more than 750 letters. The museum also presents exhibitions on various subjects from 19th-century art history.

- **Angie Thomas**  Students reading Thomas’ *The Hate U Give?* You’ll find some good distance learning resources for discussion questions and projects on this website.

- **John Green**  Fans of the author of *The Fault in Our Stars* and *Paper Towns?* Here’s a link to some discussion questions surrounding his works. Green has also co-created *Crash Course*, a website that provides high-quality educational videos for high school and college-level classes. Students, parents, and teachers alike could be entertained for hours without ever leaving the site!

- **Kate Messer’s Learning at Home Resources for High School**

- **LeVar Burton Reads**  to young adults at 6:00pm (ET)

- **Neal Shusterman**  is the New York Times bestselling author of more than thirty award-winning books for children, teens, and adults, including the Arc of a Scythe series. “With so many people working and learning from home due to the coronavirus (COVID-19), I wanted to give you all something special. Over the next few weeks, I’ll be doing some readings from my short story collections: MINDQUAKES and MINDSTORMS.”

- **Teen Book Cloud**  an online database that offers teens and adult readers a robust selection of Graphic Novels, Enhanced Novels, eBooks, classic literature, National Geographic videos, educator resources, and audiobooks.
