These entries where taken from Microfilm no. 11 , reel 1 at Wisconsin State Historical society branch library ,area research center at Univ. of Wisc. at Whitewater, Wisconsin.. Church records start in 1849 & end in 1982.

Some of the entries may be incorrect. I translated them from german script, the best I could. Some of the ss's in a village name should be a capital B or P type letter meaning doubled S. Many zip code books and indexes etc. use the B in the village name. Some have " above a letter, which means a is sometimes left out or added at times. Some of the witnesses and godparents at end of baptism entries were left out.

I am tracing all families of Knick, Dobratz, Dobbratz, Prey, Zarnke, Wentzierf, Wentsloff, Schuft, Grabowitz, etc. variations. plus Hielke,

SAVE FOR COPIES

MARTIN W. JOHNSON
514 W. Menominee
Belvidere, IL 61008

The following list is a unofficial passenger list for the ship Marianna/Mary Anne, which left Hamburg June 20, 1843 and arrived in New York Aug. 5, 1843. It is a list from memory of Johann Heinrich Moldenhauer, written about 1900 & copied in 1910 by Ralph Dornfeld Owen. Extra notes have been written in on right hand margins. Hans Kuehler the Historian, says the ship then departed for Mobile, Alabama under John F. Phillips. No official passenger list has ever been found. The Marine Journal of Aug. 7, 1843 shows the ship Marianna 40 days from Hamburg. Actual ship log says 45 days. Marine Journal also shows a Hamburg brig Neptunus, capt. Dertrankau 60 days from Amsterdam. This ship also had old lutherans on it and can not be found at National archives. Other ports that need to be checked for a passenger list for these two ships is Richmond Va., New Orleans La., and Galveston, Texas, and ports north of New York. The Ship Arab arriving at New York Sept. 8, 1843 also has Old lutherans on its passenger list. The ship Bacchus arrived Sept. 12, 1843 with old lutherans from Brandenburg province. Wurmshays Christian Dornfeld from Alt Gleitsen & family and Christina Dornfeld from Alt Rudnis & family were on the Ship Bacchus. Eugene Canner another Old Lutheran Historian says other ships that carried Old lutherans to the U.S. in 1843 were - Kawonshorn Roy (8/18), Rainbow (8/26), Reform (9/4), Howard (9/6), Arab (9/8), Bacchus (9/12), Sophrina (9/13), Sir Isaac Newton (10/30), Stephani (12/31) and possibly Washington (8/29), Proteus (9/7), Condor (9/30), Franklin (10/13) & Maria (11/1). August R. Suelflow another Old Lutheran historian says the ships that carried old lutherans to the U.S. in 1839 were- Sir Isaac Newton (8/17), Harbinger (8/19), Christina Louise (8/19), Caroline (8/27), Wilhelmine Marie (9/17), & Franklin (9/18). The last two ships seem to have passengers from Bavaria instead of Prussia. Forgot 1843 ship Bark Hualco (8/21). 1843

Via Hamburg. This original copy was typed up, at Watertown, Wisc. Public library. It
was done by or for Ralf Darsfeld Owen in about 1948 - 50. I am trying my faded copies

may be incorrect. Some names may have been Americanized. The name closest to the surname

1850 U.S. census, Ixonia Twp., Dodge Co., Wisc.. From typed notes at the Public Library in Watertown, Wisc.. (These notes seem to have disappeared before or after moving into new library area). The corrections are noted. Only the German families were noted. There may be errors in the corrections. These lists may have been typed by Ralph Dornfeld Owen. Some hand written corrections were added by Otto F. Schaefer. I serozed these lists a few years ago and they are fading. Retyped by Martin W. Johnson 514 W. Pennington, Belvidere, Illinois 61008 in 1986. I'm tracing Knick, Dotbratz/Dobratz, Frey, Arnke ancestors from in & around Watertown etc.. Parenthesis that are blank in middle mean possible error.

 They had it as (Koenig) but it should be Knick. Michael Knick was born in Hohen-Kranig, Königsberg Co., Mark Brandenburg, Germany south of Nipperweiss on East edge of Oder River. He was born April 5, 1807. He married Elizabeth Henriette Bernsee in Hohen-Kranig May 7, 1837. She was born in Hanseberg a few miles from Hohen-Kranig. The children were not born in Wisc.. They were born in and around Martinsville, N.Y. (Niagara Co.). Came to the U.S., N.Y. port on ship Arab Sept. 8, 1843 arrival, with a group of Old Lutherans. The church records for Hohen-Kranig & Hanseberg are on microfilm in Salt Lake City. In latter censuses they are in Monterey, Wisc., and Oconomowoc, Wisc.. Christian Knick married Maria A. Dobbratz Nov. 21, 1871 in Watertown, Jefferson Co., Wisc.. Most of the Knick's and relatives moved up to a 25 mile radius of Penn Twp., McLeod Co. Minn., by 1890. Maria's parents Christoph Daniel Dobbratz b. 1782, 1805 in Kolpin or Sternin, Koslin Co., Pomerania died March 13, 1884 in Hartland, Wisc. Johannna L. (Prey) his wife was born Sept. 9, 1812 in Kolberg town or County & died Dec. 3, 1894 in Ashpurn or Milwaukee. Michael Knick & Elizabeth Henriette (Bernsee) died July 22, 1893 & Feb. 24, 1901 in Penn Twp., McLeod Co., Minn.. The records in Salt Lake City say he was a Lutheran dissident. His father Martin Knick, born April 5, 1753 in Woltersdorf (parish Jadickendorf), by Königsberg on Oder River, Hanmark. Married Dorothea Louise Marie Fischer Sept. 9, 1778 in Hohen-Kranig. She was born about 1762. He died June 9, 1821 & she died Sept. 14, 1820. Both died in Hohen-Kranig. Some duplication in the Nipperweiss church records. Michael Knick bought land in Ixonia twp. bordering Lebanon Twp. in 1842. To Wisc. 1844-49.

1870 Pierce Co. Nebraska census, by Martin Wm. Johnson. Ad this to the 1870 Madison Co., Nebraska census by E. Evelyn Cox, I sent you. Mrs. Cox died. These two county censuses should be published in your newsletters. Several of the Pierce Co., Neb. families had children married in Madison Co., Neb.. Some people went on to the Colorado Gold rush. My copy of the 1870 census is very faint in spots, so watch out for errors in names & ages. As Usual the census taker probably made a few errors himself.

FOUR OLDEST DOBBRATZ & DOBRATZ FAMILIES
PLUS A COUPLE OTHER AREA ENTRIES.

The Dobbratz & Dobratz families around the United States almost always come from villages within a 15 mile radius of Schivelbein, east of Stettin & south of The Baltic Sea. Since Schivelbein is a large town compared to the very small rural villages around it, Schivelbein may have been given as a birth place by many who left this area. Some of these small villages did not have a church, so the nearby parish has to be found in a neighboring village, town or ...

Watertown Area Dobbratz & Dobratz seem to have come from villages ^{BALTENHAGEN & LECROW} of Schivelbein, Sternin, Gross Jontin, Kolpin, Neuhoft, Treptow Rega, ^{Helm} Dargislauff, Plauenthin. The parish for Sternin was at Reselkow. Many of the Dobbratz / Dobratz were brick layers in Germany. This may be why so many children were born in different places in the area. They probably moved to new job sites in the area.

There is one remaining Archives in Europe that needs to be checked for church records. This is the Archiv Der Pommerischen Evangelischen Kirche in Greifswald, East Germany. It originally covered the north west part of present day Poland & the North East part of East Germany.

There are four Possible brothers or cousins ? who came to America.
Christoph Fr. Chr. Dobbratz - born June 10, 1798 in Sternin. His wife was Friederick Hoppe - born Oct. 24, 1800. This is Lebanon, Wisc. line.
Christoph Daniel Dobbratz - born Oct. 22, 1805 in Sternin or Kolpin.
His wife was Johann L. Prey or Preh - born Sept. 9, 1812 in Kolberg town or county. This is one of the Watertown lines. Gothilf Gottlieb Dobratz - born May 25, 1807 in Schivelbein. His wife was Henriette Caroline Sophie Froemming - born Nov. 19, 1810. This is Acoma & Lynne Twp., McLeod Co., Minn. line. Carl Christoph Dobratz - born Dec. 9, 1813 in Sternin. His wife was W. F. Ernestine Schultz - Born May 29, 1813. This-

is the Concord, Wisconsin line. Each of the previously mentioned Dobbratz / Dobratz lines had several children. Some lines named their children with similar first names and several middle names. When they got to the U.S. they usually went by the last middle name closest to their surname in a baptismal entry in the church records. A few Dobratz families in other states came from east of Schivelbein a 100 miles or so away. It will be interesting someday to find out how the four oldest Dobbratz / Dobratz are related to each other, and where they came from three or four hundred years ago. Maybe east, south or west. Each year more Lutheran & Catholic church records are being microfilmed in libraries & archives in West & East Germany & Poland every year, by the Genealogical Library in Salt Lake City, Utah. It would be easier to write a history of the Dobbratz etc. families if more of the Lutheran etc.. church records were microfilmed & made accessible by descendants & researchers, before they are lost thru fire, floods, Tornados, Mold, Fading ink, Brittle crumbling pages, theft, vandalism, war etc.. These old church records usually have membership lists, births, deaths, marriages etc.. that give parents names & the exact village in Europe they were born in. There are only a few churches church records in Watertown and the rural areas that are not on microfilm & accessible. Your help in getting any church records microfilmed by the Genealogical Library, or Wisconsin state Historical Society, or a Church Synod archives, would be appreciated. The Genealogical Library has microfilmed some Watertown, Wisconsin church records free of charge & given the churches a free microfilm copy. A few more cemeteries need to be transcribed, before inscriptions wear away. DORTHEA (BELOW ITEM) WAS WIFE OF CHRISTIAN. SHE DIED MARCH 17, 1880 (END OF ARTICLE) BURIED AT REESEVILLE TRINITY L.CH.
