

INFORMATION ON THE FILMING OF CONGREGATION RECORDS

BY THE A. L. C. ARCHIVES

Recognizing the value and irreplaceable nature of the records of the congregations of The ALC, the Archives of the ALC makes the following offer to congregations of The ALC:

- (1) The Archives will microfilm the basic records of any congregation now belonging to The ALC at no cost to the congregation if the records can be brought to Dubuque, Iowa.

A. "The Basic Records" shall include only -

- (1) The "Official Acts" or Ministerial Record Book which records the baptisms, marriages, funerals, etc.
- (2) Minutes of the congregation and church council meetings.

B. The microfilm negative shall be the property of The ALC Archives. If the congregation desires a microfilm copy or photostats of its records, these shall be available at prevailing prices. (Approximately 16¢ per foot of microfilm or 16¢ per page of photostat.)

C. The congregation shall assume all costs and responsibility for getting the records to and from the Archives.

- (2) Records of former congregations which have either merged with your congregation or disbanded should be included.
- (3) Congregations desiring to avail themselves of this service may send or bring their records at any time. Allow three or four weeks for processing. By arrangement we can microfilm your records in a day if necessary.

Robert C. Wiederaenders
Archivist, The ALC
Wartburg Theological Seminary
Dubuque, Iowa 52001

ON USING CONGREGATION MICROFILM

The Archives of The ALC has microfilmed the congregation records of nearly half the congregations which now comprise The American Lutheran Church. Basically these records consist of:

1. the ministerial records: baptisms, confirmations, weddings, funerals, etc.
2. minutes of congregation and council

Anyone desiring to use these records for the purpose of genealogical study, or to study the history of that congregation or of Lutheranism in that geographical area may have access to the microfilm on the following conditions:

1. Check with the Archives of The ALC to be sure the records you want are on microfilm.
2. Secure permission from the congregation in writing. If the congregation has merged with another, the Archives can tell you which congregation now has authority over the records. If the congregation has dissolved, the Archives can give you permission to use the film.
3. Pay a service charge of \$5.00 per roll used. Make check payable to "Archives, The ALC".
4. The microfilm is sent to you. It is expected that it will be returned to the Archives in two months. Return all microfilm to: Archives, The ALC; Wartburg Theological Seminary; Dubuque, Iowa; 52001. If, in that time, no one else has asked for the use of the roll of film, you may renew it for another two months, upon payment of another \$5.00 service charge.

All correspondence relating to the congregational microfilm should be directed to:

ROBERT C. WIEDERAENDERS
Archivist, The ALC
